

Platinum Blonde

Paris Hilton

I call the blondes like me and Debbie Harry
Won't settle for dirty or strawberry
We look like barbie dolls
We know we know it all
(Oh yeah)
Don't you wanna be totally hot like me,
A celebrity, Platinum blonde,
VIP to me, of a blistery, paparazzi, Platinum blonde,
Put peroxide to your work on me,
I'll be a Platinum blonde,
This is the recipe totally guaranteed
One of the "_____" i see, Platinum blonde.
