Scribe UnLTD

Scribe

not your stereotypical type of individual , types of individual.far from the nonsense while peeps walk the street in their sleep, i stay conscious ready to speak over beats for the need i represent a thousand souls who never made it this far watching from the other side of the stars its been a mission in mars pushin my music not just amusement i made this so you can use it for your own improvment not as a mc as a human livin on the same earth and breathin in the same pollution everything is meant to be hip hop was sent to me keep the fame the money i hold it sentimentally own material things will return to dust eventually ill be the mc those lyrics will last infinitely so to the death of me keep tryin to snatch the breath of me negativity only brought ever bought out the best of me it was my destiny to be one of the illest i represent that to the fullest.(chorus)scribe take it serious check it,check it check it each word each line perfected.
scribe original next level shit for you to listen to for those who dont give a fuck i do
scribe take it serious check it,check it check it each word each line perfected.
scribe original shit for you to listen to for those who dont give a fuck i doay yo watch and observe a master of words internationally from the suburb where rhymes are never heard unless they're seen by the third always preferred droppin rhymes over doin crime captivated by hip hop doin time sentenced for life a life time of whippin mics use my insight i serve the world we ways alike for yo im not gonna go the way this time im doin whats right im the scribe i write it down and send what comes from my wind pipe ive been type since the day of my birth you can represent the neighborhood money guns and represent earth defender of the universe the true emerge has been tested you'd be first to find the exit when i write my next shit im doin everything i said i would true to my word life is superb im finally gettin what i deserve and its like that what so realize and recognize and when you see me you won't have to wonder why.(chorus)scribe take it serious check it,check it check it each word each line perfected.
scribe original next level shit for you to listen to for those who dont give a fuck i do
scribe take it serious check it,check it check it each word each line perfected.
scribe original next level shit for you to listen to for those who dont give a fuck i doheyy yo who said i wasn't ready- that scribe would never make it- the hateration only motivated me to take it kept hip hop sacred even though at times i felt forsaken make no mistake my skill is real there's no way you fake it i had the hunger since i was younger for bits and pieces check my credentials the evidece to support my thesis thats if you don't believe it look for yourself and see it open you ears and hear the deepest air and speak it(chorus)scribe take it serious check it,check it check it each word each line perfected.
scribe original next level shit for you to listen to for those who dont give a fuck i do
scribe take it serious check it,check it check it each word each line perfected.
scribe original next level shit for you to listen to for those who dont give a fuck i do
