

Radio Love (feat. Jedd Hughes)

Sarah Buxton

Louder, yeah
Louder, louder, louder
Louder, yeah
Yeah, yeah, yeah, oh Can't eat, I can't sleep
I can't think, don't wanna drink
I can't dance, you know I can't move
Alone tonight without you I need a tune to spark my memory
And bridge the distance
Between you and me Baby, call the station, make a dedication
I'll be tuning in through the fuzz
You can turn me on while you're gone on my stereo
Baby, tonight it's enough To close my eyes and rewind, hold you close in my mind
Let the music do what it does
You can turn me on while you're gone on my stereo
Baby, give me radio love, radio love Eight hours, hammer down
Flying through these lonely towns
I'm on my way so leave the light on
God, I miss you, it's been too long I need a tune to make you feel
Like you're right here
Dial it in and make a mile disappear
Mile disappear Baby, call the station, make a dedication
I'll be tuning in through the fuzz
You can turn me on while you're gone on my stereo
Baby, tonight it's enough To close my eyes and rewind, hold you close in my mind
Let the music do what it does
You can turn me on while you're gone on my stereo
Baby, give me radio love, radio love Radio love, radio love
Yeah, yeah, yeah, yeah, yeah Only you know the songs
To keep me rockin'
All night long, all night long
At the top, top of my lungs Baby, call the station, make a dedication
I'll be tuning in through the fuzz
You can turn me on while you're gone on my stereo
You can turn me on while you're gone on my stereo Close your eyes and rewind, hold me close in your mind
Let the music do what, do what it does
You can turn me on while you're gone on my stereo
Baby, give me radio love, radio love Give me radio love
Radio love, baby
Radio love, radio love
