

# Forming (Live At the Starwood, December 3, 1980)

## Germs

Rip them down  
Hold me up  
Tell them that  
I'm your gun  
Pull my trigger  
I am bigger than Mr. Prez in his big White House  
Listen he says we're comin' out  
Infiltration-we're numbin' your minds  
Concentration-we've done time[repeat chorus]Over there the Queen she says  
Let's stamp them out and dry  
Those tears Saturation-we want in taxes  
Flagellation-we've got gashes[repeat chorus]In the cold, the czars claimin'  
Just protectin', rockets aimin'  
Alteration-the word is changin'  
Observation-we want action[repeat chorus]I the Emperor proclaim  
Us the masters we rule the game  
Inclination-somethin' to dream on  
Deprivation-we are sons[repeat chorus]
