

# Meet Me at Midnight

## King Diamond

Yesterday as I finished the last of the seven graves  
I went to call McKenzie  
I woke him up in the middle of the night  
You should have heard me, surprise Oh, revenge is sweet Up and awake, McKenzie knew that I was still alive  
And I have to tell you  
He is the Mayor of this God forsaken town  
He's Lucy's father, the man that brought me down He is such a sick little man  
He's so much sicker than me and I am Meet me at midnight by the cemetery gates  
Meet me at midnight or your Lucy will be dead Revenge is sweet  
Revenge is sweet, I know that you agree Call me sick in the head but I would never lie to you  
I worked for the man  
Mayor McKenzie is an old perverted swine  
I caught him one night, molesting his own little child Who do you think they all believed? He is such a sick little  
man  
He's so much sicker than me and I am Meet me at midnight by the cemetery gates  
Meet me at midnight or your Lucy will be dead McKenzie did you hear me?  
No Lucy, she is fine  
She's sleeping in her coffin  
Can't wait to meet your face again He is such a sick little man  
He's so much sicker than me and I am Meet me at midnight by the cemetery gates  
Meet me at midnight or your Lucy will be dead
