# Nancy

## G. Love & Special Sauce

Oh baby nancy
Yeah little nancy
I'm talking to you girl
I'm talking to nancy
Baby
I could not bide my time
I knew you weren't even trying
Oh now I'm down in there in the heat babe
Ohhh, I'm cooking
Yeah yeah yeah
Oh yeah yeah yeah
Come'onYou know you're making me wait
I said you take my plate
Well you want me ? ? ?
? ? ?
And you so sweet
? ? ?
The way I make love
And I'm a make you feel better
? ? ?
I knew you weren't even trying
Oh now I'm down here in the desert
Oh and I'm crying
Yes I'm crying
Oh I'm crying
Baby I'm crying
