

Let It Snow

[Lucas Grabeel](#)

Let it snow, let it snow, let it snow Oh, the weather outside is frightful

But the fire is so delightful

And since we've no place to go

Let it snow, let it snow, let it snow It doesn't show signs of stopping

And I've bought some corn for popping

The lights are turned way down low

Let it snow, let it snow, let it snow When we finally kiss goodnight

How I hate going out in the storm

But if you'll really hold me tight

All the way home I'll be warm The fire is slowly dying

And my dear, we're still goodbying

But as long as you love me so

Let it snow, let it snow, let it snow Let it snow, let it snow, let it snow When we finally kiss goodnight

How I hate going out in the storm

But if you'll really hold me tight

All the way home I'll be warm The fire is slowly dying

And, my dear, we're still goodbying

But as long as you love me so

Let it snow, let it snow, let it snow As long as you love me so

Let it snow, let it snow, let it snow

Let it snow, let it snow, let it snow

Let it snow, let it snow
