

White Gold (Tarsius Remix)

Ladytron

Back from the window
Everythings subtle
Temporary sanctuaryLook through the window
Everythings subtle
Tailored to fit, but nothings that simpleGold, you will always come to me
With the power of deception
Gold wont ever comfort me
The color of deception
The color of deceptionMove closer
Subterfuge
Illusions there for all to seeTheres no one left to rescue me
Glass and stone, it cuts like a knife
And gold wont ever comfort meGold, you will always come to me
With the power of deception
Gold wont ever comfort me
The color of deception
The color of deception
