

# Lord She Sure Is Good at Loving Me

[Paul Overstreet](#)

Lord, I know I prayed you'd take away the loneliness I knew  
My wildest dreams could not conceive the work your hands would do  
It feels so good to fall asleep in her arms every night  
Leave it up to You to do things right Lord, she sure is good at loving me  
I know You had a hand in this  
'Cause it's been so plain to see Then I've been blessed with the very best  
That love will ever be  
Lord, she sure is good at loving me I know that I may never find a way to repay  
The gift of love You gave to me by sending her my way  
The very best that I can do is less than You should ask  
But I'll do the best I can to make love last Lord, she sure is good at loving me  
I know You had a hand in this  
'Cause it's been so plain to see  
Then I've been blessed with the very best  
That love will ever be  
Lord, she sure is good at loving me
