No One Likes Us

The Business

Been banned from the Whiskey A Go Go
Been banned from a club in Soho
Been banned From Red Lion Square
Been banned from every whereNo one likes us
No one likes
We're the Business and we don't careYour music will never last
Your music is much to fast
Your not wanted in this industry
Your music will never beNo one likes us
No one likes
We're the Business and we don't care
