

Plaudite Amici Comedia Finita Est

Ozark Henry

No Jozeph Haydn
No Ludwig Von
"An die Freude" is but
For someA heart disease
A hit-and-run
Life is now
And now is goneBefore time
Before time we kissed and wave
Lover lover goodbye
And walk through the pearly gates
Up to the sun
Up to the sunWhat's known in heaven
Is no one in hell
An eager harvest rings a bellIf we're in it for the honey
Who looks after the bees
Let the milk rain down on meBefore time
Before time we kissed and wave
Lover lover goodbye
And walk through the pearly gates
Up to the sun
Up to the sunNo "Commedia dell'arte"
No Ludwig Von
"An die Freude" is but
For someWe must go the way we came
And like a moth
Go up in flames
It's my chance refuel the tree (?)
But at least see the sun
Up to the sunPlaudite amici comedia finita est
Plaudite amici comedia finita est
Plaudite amici comedia finita est
