

Makin' Me Say Goodbye

K-Ci & JoJo

Yeah baby, yeah, listen to me
I got somethin' on my mind I told you, yeah listen
It's three o'clock and you're still not home
You're already two hours late
I gave you the benefit of the doubt
But baby girl you always disappoint me, yes you do
And lately you've been bringing it home
That smell that you're wearing is not my cologne
But I put up wit it 'cause I love you so
But baby I just can't take it no more
Baby you're makin me say goodbye
No matter how hard I try
You've taken advantage of me
And now I don't have a choice baby
You're makin me say goodbye
And I can't take one more lie
I love you so, I don't wanna stay
It hurts so bad but I gotta leave
Girl I know the signals on the phone
Two if I'm home and three if I'm gone
Yeah I suspected it a year ago
I confronted you, you told me I was wrong
The other night I could have fall asleep
I heard you whisper his name in your dreams
What kind of man would I be to stay
There ain't no question, I gotta leave
Baby you're makin me say goodbye
No matter how hard I try
You've taken advantage of me
And now I don't have a choice baby
You're makin me say goodbye
And I can't take one more lie
I love you so, I don't wanna stay
It hurts so bad but I gotta leave
I did the best that I could do for you baby
But I guess my best wasn't good enough for you
How could you let him break up our happy, happy home
How can you say the words I love you
When you didn't mean a damn thing you said?
And ooh you're gonna reap what you sow baby
It's gonna catch up to you
Yeah and it's gonna get next to you baby, baby
Baby you're makin me say goodbye
No matter how hard I try
You've taken advantage of me
And now I don't have a choice baby
You're makin me say goodbye
And I can't take one more lie
I love you so, I don't wanna stay
It hurts so bad but I gotta leave
Gotta go, gotta go, gotta go, gotta go
Baby I gotta go, gotta go, I gotta leave

Baby I gotta go, gotta go, gotta go
But baby I gotta leave
