Parade It

Radkey

Your love's really got me
It's really got me down
It's really got me down
Stand up, stop parading it around
Parading it around
And I really can't take it
Your love's really got me
It's really got me down
It's really got me down
It's really got me down, yeah
You love's really got me down
It's been some days
I'm in chains baby
It's really got me down
It's been some days
I knew best baby
When it got me down
It's really, really got me
It's really got me down!Your love it's really got me down
I'm breathing till I drown
I sink into the ground
And stand up stop parading it around
You're parading it around
And I really can't take it
It's really, really got me
It's really got me down!
It's been some days
I'm in chains baby
It's really got me down
It's been some days
I knew best baby
When it got me down
It's really, really got me
It's really got me down!Your love it's really got me down
It's really got me down!
It's really got me down!
Your love it's really got me down
It's really got me down!
It's really got me down!

Shit!You love's really got me down
It's been some days
I'm in chains baby
It's really got me down
It's been some days
I knew best baby
When it got me down
It's really, really got me
It's really got me down!
