

# Be True

## Texas

What do you want from me?  
Each time I turn the corner  
I feel a little bit older  
When, when you say to me  
Maybe you can make it easy  
Taking all your time to tease me  
You lead me to the doorway  
You're looking like you mean it  
You're leaning to me sideways  
But I can't take you serious  
For that you want me to choose  
Say I'll always love you forever, be true  
I don't care what you say  
I'm gonna love you my way  
Don't wanna play these tired games  
So if I'm gonna stay  
What will you do to have me?  
Let's lay it down, some guarantee  
You lead me to the doorway  
You're looking like you mean it  
You're leaning to me sideways  
But I can't take you serious  
For that you want me to choose  
Say I'll always love you forever, be true  
For that you want me to choose  
Say I'll always love you forever, be true
