The Cure For Pain

Jon Foreman

I'm not sure why it always goes downhill
Why broken cisterns never could stay filled
I've spent ten years singing gravity away
But the water keeps on falling from the skyAnd here tonight while the stars are blacking out
With every hope and dream I've ever had in doubt
I've spent ten years trying to sing these doubts away
But the water keeps on falling from my eyesAnd heaven knows... heaven knows
I tried to find a cure for the pain
Oh my Lord, to suffer like you do...
It would be a lie to run awaySo blood is fire pulsing through our veins
We're either riders, or fools behind the reins
I've spent ten years trying to sing it all away
But the water keeps on falling from my triesAnd heaven knows... heaven knows
I tried to find a cure for the pain
Oh my Lord, to suffer like you do...
It would be a lie to run away
A lie to run
It would be a lie
It would be a lie to run awayIt keeps on falling
It keeps on falling
It keeps on falling
It keeps on falling
The water keeps on falling from my eyesAnd heaven knows... heaven knows
I tried to find a cure for the pain
Oh my Lord, to suffer like you do...
It would be a lie to run away
It would be a lie to run away
It would be a lie to run away
