Split Seconds

Midstress

Open your eyes
Take a look around you
Light me up
Like I'm some kind of saintIf black and white
Were the only colors
If you and I
Were the only onesTrying to buy some time
I'd try to buy split seconds
Trying to buy some time
I'd try to buy split secondsI open my eyes
And fear it's not the last time
You set me up
Like I'm some kind of foolTrying to buy some time
I try to buy split seconds
Trying to buy some time
I try to buyThe scars to prove that
We're not the only ones
The scars to prove that
I am that I amTrying to buy some time
I try to buy split seconds
Trying to buy some time
I try to buy split secondsTrying to buy some time
I try to buy split seconds
Trying to buy some time
I try to buy split secondsTrying to buy, trying to buy
