

# Split Seconds

## Midstress

Open your eyes  
Take a look around you  
Light me up  
Like I'm some kind of saintIf black and white  
Were the only colors  
If you and I  
Were the only onesTrying to buy some time  
I'd try to buy split seconds  
Trying to buy some time  
I'd try to buy split secondsI open my eyes  
And fear it's not the last time  
You set me up  
Like I'm some kind of foolTrying to buy some time  
I try to buy split seconds  
Trying to buy some time  
I try to buyThe scars to prove that  
We're not the only ones  
The scars to prove that  
I am that I amTrying to buy some time  
I try to buy split seconds  
Trying to buy some time  
I try to buy split secondsTrying to buy some time  
I try to buy split seconds  
Trying to buy some time  
I try to buy split secondsTrying to buy, trying to buy
