

# Number 918

## Altar Boyz

He came into your life like a whisper  
he took control of you in the dark of the night  
he singes you with every glance  
he has you, heart and soul, his old so tight  
He makes you do things you dont want to  
he commands and you obey  
Take my hand, we'll stare him down  
We'll show you what to say  
Get the hell out!  
Dont let him s tay insided you  
rise up and make him take flight  
Get the hell out! fight him tooth and nail  
come on and walk toward the light!  
we gotta get the hell outa here tonight!  
If you lose this fight, you'll be his play thing for eternity  
burning, baking, searing, flaming  
doesnt sound like fun to me  
Demons'll peel your skin off each day  
try to scream, but you got no voice  
if you want to avoid this fate  
you only got one choice!  
get the hell out  
look to us for guidance  
the altarboyz will see you through  
Get the hell out  
we got extra crosses  
plenty of holy water too  
we're gonna get the hell out of you  
Ready? ready!  
five four three two one!  
the power of christ compels you  
get thee behind me  
get the hell out  
get the hell  
this is your last chance  
face your demons eye to eye  
get the hell out  
face the consequences  
now or never do or die  
you gotta face the ugly truth  
you gotta do what you gotta do  
get the hell outa you  
tonight
