Nasty Savage

Take a trip down lover's lane
Take that trip, it's time to play
Adult entertainment, you must be of age
Come and get wild, climb out of your cagexxx
TriplexYou feel like you're under the spiked hell
The crack of the whip gives great thrills
She soars to heights, loves her delights
The foreplay is gone, the seduction is on
She's the ultimate pro who puts on the show
As she had me tied she molested my mind
Exciting herseep, I could have cried
Now I know how she loves to be wildxxx
In her pants
