

Blew

Nirvana

An' if you wouldn't mind, I would like it blew
An' if you wouldn't mind, I would like it loose
An' if you wouldn't care, I would like to leave
An' if you wouldn't mind, I would like to breathe Is there another reason for your stain?
Could you believe who we knew stress or strain?
Here is another word that rhymes with shame An' if you wouldn't mind, I would like it blew
An' if you wouldn't mind, I would like it lose
An' if you wouldn't care, I would like to leave
An' if you wouldn't mind, I would like to breathe Is there another reason for your stain?
Could you believe who we knew stress or strain?
Here is another word that rhymes with shame Is there another reason for your stain?
Could you believe who we knew stress or strain?
Here is another word that rhymes with shame You could do anything
You could do anything
You could do anything
You could do anything You could do anything
You could do anything
You could do anything
You could do anything
You could do anything
