

# Free Loop (Solo) (Live From Studio A)

**Daniel Powter**

I'm a little used to calling outside your name  
I won't see you tonight so I can keep from going insane  
But I don't know enough  
I get some kinda lazy day  
Hey now I've been fabulous through to fight my town a name  
I'll be stooped tomorrow if I don't leave as them both the same  
But i don't know enough  
I get some kinda lazy day  
Hey now Cause it's hard for me to lose, in my life I've found only time will tell how to figure out  
How we can, baby, how we can do a one night stand Yeah And it's hard for me to lose in my life,  
I've found outside your skin right near the fire  
How we can baby, how we can change and feel alright I'm a little used to wondering outside the rain  
You can leave me tomorrow if it suits you just the same  
But I don't know enough  
I need someone who leaves the day  
Hey, yeah Cause it's hard for me to lose, in my life  
I've found only time will tell how to figure out  
How we can, baby, how we can do a one night stand Yeah And its hard for me to lose in my life,  
I've found outside your skin right near the fire  
How we can baby, how we can change and feel alright Cause it's hard for me to lose, in my life  
I've found only time will tell how to figure out  
How we can, baby, how we can do a one night stand Yeah And it's hard for me to lose in my life,  
I've found outside your skin right near the fire  
How we can baby, how we can change and feel alright Cause it's hard for me to lose, in my life  
I've found only time will tell how to figure out  
How we can, baby, how we can do a one night stand Yeah And it's hard for me to lose in my life,  
I've found outside your skin right near the fire  
How we can baby, how we can change and feel alright
