Beautiful Nightmare

Jonathan Young

I'm addicted to your torture,
I'm a prisoner to the pain,
Although you're gone all the misery, remains,
I did my best, everyday just keeping busy,
to avoid the cost of you,
but when i rest there is nothing i can do,
My eyes are closing and i'm scared,
Cause i only dream of you,
You're a beautiful Nightmare,
and nothing can wake me up from you.
.....
gave you everything you asked for
and this is what I get
the silence ...
I did my best, everyday just keeping busy,

to avoid the cost of you,
but when i rest there is nothing i can do,
My eyes are closing and i'm scared,
Cause i only dream of you,
You're a beautiful Nightmare,
and nothing can wake me up from you.
Beautiful Nighmare
Beautiful Nighmare
You're a Beautiful Nighmare
You're a Beautiful Nighmare
Beautiful Nighmare
Beautiful Nighmare
You're a Beautiful Nighmare
You're a Beautiful Nighmare
