

# Luv N U

## Boyz II Men

Your eyes are telling me  
On my knees is where I should be  
On your lips I can read my name  
Even though you ain't said a thing  
I know I've been here before  
A familiar place in fact I'm sure  
I, you, something in between  
That's haunting me Instantly you're on top of me  
So good to see you on top of me  
This is where I'm supposed to be  
All up into you  
There's no place I would rather be  
Livin' inside of your ebony  
Lovin' you, make love to you  
Love ya, oh my love, oh oh lovin' you Got me open and I can't explain  
How in our ecstasy there's no shame  
Composure we had is gone  
Lust in us we can't tame  
We've been here before  
This familiar place in fact I'm sure  
It was a dusk, dawn, through the afternoon  
I'm still in you Instantly you're on top of me  
So good to see you on top of me  
This is where I'm supposed to be  
All up into you  
There's no place I would rather be  
Livin' inside of your ebony  
Lovin' you, make love to you  
Love ya, oh my love, oh oh Baby I just can't get enough  
Even though you're mine  
I want it all the time yeah  
Make love to you, love ya  
Lovin' you, oh oh my love oh oh  
You, you, you  
Lovin' you, make love to you  
Love ya, oh my love, my love, lovin' you Instantly you're on top of me  
So good to see you on top of me  
This is where I'm supposed to be  
All up into you

There's no place I would rather be  
Livin' inside of your ebony  
Lovin' you, make love to you  
Love ya, oh my love, oh oh Instantly you're on top of me  
Livin' you, make love to you  
Love ya, oh my love, oh oh, lovin' you Instantly you're on top of me  
So good to see you on top of me  
This is where I'm supposed to be  
All up into you  
There's no place I would rather be  
Livin' inside of your ebony  
Lovin' you, make love to you  
Love ya, oh my love, oh oh
