

Come Back to Me

Urban Cone

On the subway home
I lost you in a fever
When did we grow old
Million things we done
We never stopped at nothing
When did we grow oldCome, come
Come back to me
Come back to me again
Come, comeCome back to me
Come back to me again
When you gonna
Come, come
Come back to me
Come back to me again
Come, come
Come back to me
Come back to me againI've been yours for years
And now were back at nothing
When did we grow old
A million ways that IAnd only I know you
When did we grow old
When you gonna
Come, come
Come back to me
Come back to me againCome, come
Come back to me
Come back to me again
Please, won't you take me home?
I don't wanna let you goPlease, wont you take me home?
I don't wanna let you go
When you gonna
Come, comeCome back to me
Come back to me again
When you gonnaCome, come
Come back to me
Come back to me again
When you gonna
Come, come
Come back to me

Come back to me again
When you gonna
Come, come
Come back to me
Come back to me again
