

Sad, Sad Music

Dwight Yoakam

There should be music
Sad, sad music
But this silence that you left
Is all that I have I must have missed a couple days
Or just forgotten
What went wrong or where it all
Fell apart And I now you must have told me
You were leavin'
It just never crossed my mind
You'd take my heart There should be music
Sad, sad music
The kind the movies have
When love like ours goes bad There should be music
Sad, sad music
But this silence that you left
Is all that I have I'd swear that I woke up with you
This morning
But I can see that it's been days
Since you were here Every night it still hits home
Without a warning
As my world becomes a flood
Of scalding tears There should be music
Sad, sad music
As you walk away
Without looking back There should be music
Sad, sad music
But this silence that you left
Is all that I have
There should be music
