A Beautiful Green (Album Version)

Punchline

Wrong way on the wrong side of town
Your feet are so stuck to the ground
I've been known to sometimes get away
But you never leaveThis is the way you are
Don't change yourself for me
This is the way you are
Don't change yourself for me
This is the way you are
Don't change yourself for meThis air isn't anywhere else
It makes me talk to myself
Tells me where to breathe and
Where to smoke
I might not leaveThis is the way you are
Don't change yourself for me
This is the way you are
Don't change yourself for me
This is the way you are
Don't change yourself for me
(Theres nothing wrong with that)
This is the way you are
(That's just the way that you are)
Don't change yourself for me
