

Let Yourself Go

Bush

It's alright it's alright it's alright
It's alright it's alright it's alright
It's alright it's alright it's alright
It's alright it's alright it's alright
It's alright it's alright it's alright Been delayed
 Been out of sorts
 Been on the slide with the mental waltz
And it's hard enough to get through the day
 I tried to live
 I tried to climb
 I tried to walk your imaginary line
 I been falling out of windows
It's alright it's alright it's alright
It's alright it's alright it's alright
It's alright it's alright it's alright
It's alright it's alright it's alright
It's alright it's alright it's alright Let yourself go
 Let yourself go
 You can be the queen
 I can be bold
 You give the love
 That's heavy like gold
Let yourself go It's time to move
 It's time to dance
We get lost as we disappear in romance
 It's alright it's alright it's alright
 It's alright it's alright it's alright
 It's alright it's alright it's alright
 It's alright it's alright it's alright
It's alright it's alright it's alright Let yourself go
 Let yourself go
 You can be the queen
 I can be bold
 You give the love
That's heavy like gold Let yourself go
 Let yourself go
 You can be the queen
 I can be bold
 You give the love

That's heavy like gold
Let yourself go You get your work done slow
It's how you like to roll
You get your work done slow
Oh-oh-slow It's alright it's alright it's alright
It's alright it's alright it's alright
It's alright it's alright it's alright
It's alright it's alright it's alright
It's alright it's alright it's alright Let yourself go
Let yourself go
You can be the queen
I can be bold
You give the love
That's heavy like gold Let yourself go
Let yourself go
You can be the queen
I can be bold
You give the love
That's heavy like gold Let yourself go
Let yourself go Let yourself go
Let yourself go
Let yourself go
