

# Too Cold

## Vanilla Ice

Ah, stop, collaborate and listen  
Ice is back I got a brand new invention  
Something grabs a hold of me tightly  
Flow like a harpoon, daily and nightly  
Will it ever stop? Yo, I don't know  
Now turn off the lights, huh, and I'll glow  
And to the extreme I rock a mic like a vandal  
Light up a stage and wax a chump like a candle  
Too cold, too cold  
Too cold, too cold  
Too coldBut you been talkin' that shit  
But you been talkin' that shit  
Dance, bum rush the speaker that booms  
I'm killing your brain like a poisonous mushroom  
Deadly, now as I play a dope melody  
Anything less than the best is a felony  
Love it or leave it, you better gain way  
You better hit the bulls' eye, the kid don't play  
And if there was a problem, yo, I'll solve it  
Check out the hook while my DJ revolves it  
Ice Ice Baby  
Ice Ice Baby  
Ice Ice BabyTake heed 'cause I'm a lyrical poet  
Miami's on the scene just in case you didn't know it  
My town that created all the bass sound  
Enough to shake and kick holes in the ground  
'Cause my style is like a chemical spill  
Feasible rhymes you can vision and feel  
Conducted and formed this is a hell of a concept  
We make it hype and know you wanna step with this  
Swamp plays on the fade, slice like a ninja  
Cut like a razor blade so fast, other DJ say, damn  
If rhyme was a drug, you know I'd sell it by the gram  
Keep my composure when it's time to get loose  
I magnetized by the mic and when I kick my juice  
And if there was a problem, you know that I would solve it  
Check out the hook while my DJ revolves it  
Ice Ice Baby  
Throw your hands in the air  
Let me know you're out there  
Ice Ice BabyIce Ice Baby  
Throw your hands in the air  
Let me know you're out there  
Ice Ice BabyToo fuckin' cold

Too cold, too cold  
Too cold, too coldIce Ice Baby  
Too cold, too cold  
Ice Ice Baby  
Too cold, too coldIce Ice Baby  
Too cold, too cold
