

# Tell Me

## Sharon Jones and the Dap-Kings

I've been away too long  
Our conversation have been few  
But while I've been away each and every day  
My heart was beatin' next to you, oh yeah Now I'm here at last  
Oh, and I'm here to stay  
Look into my eyes, then you'll realize  
There is only one thing left to say, oh Tell me  
(Tell me you love me)  
Be right there  
(Tell me you care) Tell me, tell me, tell me, baby  
(Tell me you love me)  
Come on and, come on and  
(Tell me you care) (Tell me you love me)  
I really love you  
(Tell me you care)  
You know I need you (Tell me you love me)  
Come on, baby, now  
(Tell me you care) I'm not askin' for money  
Three little words you know, oh  
If you want some sweet feelin', I'll be out here and I'm willin'  
To take you where you want to go, oh Tell me  
(Tell me you love me)  
Come on, come on, baby  
(Tell me you care) Let me hear it, let me hear you now  
(Tell me you love me)  
Ooh, yeah, yeah, oh  
(Tell me you care) Those sweet little words  
(Tell me you love me)  
Come on, baby  
(Tell me you care) Words from [Incomprehensible]  
(Tell me you love me)  
Tell me, tell me, baby  
(Tell me you care) Let me hear, let me hear, let me hear, let me hear, let me hear that  
(Tell me you love me)  
Oh, come on, baby
