

Everybody's Trying to Be My Baby

[Johnny Cash](#)

Well they took a little honey from a honey tree
They dressed it up and they called at meNow everybody's trying to be my baby
Everybody's trying to be my baby
Everybody's trying to be my baby
Everybody's trying to be my baby
Everybody's trying to be my baby, nowWell half past nine and half past four
Fifty women knocking on my doorAnd everybody's trying to be my baby
Everybody's trying to be my baby
Everybody's trying to be my baby, nowI went out last night, I didn't stay late
'Fore I got home I had nineteen datesAnd everybody's trying to be my baby
Everybody's trying to be my baby
Everybody's trying to be my baby, nowMe and my girl, sittin' in the shade
Talking about the money that she has madeAnd everybody's trying to be my baby
Everybody's trying to be my baby
Everybody's trying to be my baby, now
Get downEverybody's trying to be my baby
Everybody's trying to be my baby
Everybody's trying to be my baby
Everybody's trying to be my baby
Everybody's trying to be my baby, now
