You

The 1975

And you're a liar, at least all of your friends are
And so am I, just typically drowned in my car
It's my party and I'll cry to the end
You must try harder than kissing all of my friends, you

Yeah it takes a bit more, yeah it takes a bit more than you
It takes a bit more, yeah it takes a bit more than you

You're alive, at least as far as I can tell you are
And so am I, you beat me down and then we're back to my car
And it's so ironic how it's only been a year
And it's not my fault that I fucked everybody here

Yeah it takes a bit more, yeah it takes a bit more than you
It takes a bit more, yeah it takes a bit more than you
It takes a bit more, yeah it takes a bit more than you
It takes a bit more, yeah it takes a bit more than you

And I say
Do you wanna dance, do you wanna dance, do you wanna dance
In the bar at the back of the hall?
And I say
Do you wanna dance, do you wanna dance, do you wanna dance
Dance in the back of the hall?

Yeah it takes a bit more, yeah it takes a bit more than you
It takes a bit more, yeah it takes a bit more than you
It takes a bit more, yeah it takes a bit more than you
It takes a bit more, yeah it takes a bit more than you
