Somebody Told Me

Charlie Puth

[Verse 1]
I was just with you on your birthday
And I met your whole family
But on the way home
You kept looking at your phone
Couldn't help but ask, "Who is that, babe?"
And the way you said, "Nobody,"
I knew the rumors, they were more than just rumors[Pre-Chorus]
Maybe I should have noticed
You were just half in love
Maybe I should have noticed
That I'm not the only one
[Chorus]
Somebody told me that you
Got another lover you've been giving it to
Can't believe I believed you
You were my girlSomebody saw you with him
Now you're tryna tell me that he's only a friend
Can't believe I believed it
You were my girl
Oh, oh
Oh, oh[Verse 2]
Lately you've been making excuses
And the stories ain't adding up
But I just go blind, when you look into my eyes
Every time that I try to confront you
There's always somewhere you gotta run to
Oh warning signs, they were more than just warning signs
[Pre-Chorus]
Maybe I should have noticed
You were just half in love
Maybe I should have noticed
That I'm not the only one[Chorus]
Cuz somebody told me that you
Got another lover you've been giving it to
Can't believe I believed you
You were my girlSomebody saw you with him
Now you're tryna tell me that he's only a friend
Can't believe I believed that

You were my girl
Oh, oh
Oh, oh
You were my girl
Maybe I should have noticed
You were just half in love
Maybe I should have noticed
That I'm not the only one (you were my girl)[Bridge]
Yeah
Maybe I should have noticed
That I'm not the only one[Chorus]
Somebody told me that you
Got another lover you've been giving it to
Can't believe I believed you (believed you)
You were my girlSomebody saw you with him
Now you're tryna tell me that he's only a friend
Can't believe I believed that (believed that)
You were my girl
That you were my
Ay, you were my girlMaybe I should have noticed
You were just half in love (you were half in love)
Maybe I should have noticed
That I'm not the only oneYou were my girl
