Love Killer

Cheryl

Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Why do I love you so much
When youre a love killer
Why do I give you my love
When youre a love killerYou gave me butterflies,
And then you shot them down
Straight off the sky
You make my hart tick-off
To kick it on the ground
You dont even tryUh, I got better options but
All that I want is just
You-hu, you-hu
Keep doing the things that you do
Got me like drunkWhy do I love you so much
When youre a love killer
Why do I give you my love
When youre a love killer
Baby baby youre like the worst drug
But youre a buzz killer
Youre a love, youre a love killer
Im in love with a love killerObliterate my trust
Assassinate my dreams
Youre nothing but cold
But baby I just know,
That no one in the world
Could love you if I dontYou-hu, have got better options than you-hu
And all of my friends they hate, you-hu, you-hu
Cause all of the things that you do
Got me like uhWhy do I love you so much
When youre a love killer
Why do I give you my love
When youre a love killer
Baby baby youre like the worst drug
But youre a buzz killer
Youre a love, youre a love killer
Im in love with a love killerLa-la-la-la-la love
You want some more?
Im a love killer

La-la-la-la-la love
You want some more?
Im a love killerWhy do I love you so much?
Why do I love you so much?
Why?Why do I love you so much
When youre a love killer
Why do I give you my love
When youre a love killer
Baby baby youre like the worst drug
But youre a buzz killer
Youre a love, youre a love killer
Im in love with a love killerWhy do I love you so much
When youre a love killer
Why do I give you my love
When youre a love killer
Baby baby youre like the worst drug
But youre a buzz killer
Youre a love, youre a love killer
Im in love with a love killer
