

Underwater (Above & Beyond's 21st Century Mix)

Delerium

Something fearless in your eyes
Something careless about your smile
Something fragile when you hold your breath
And when you move
You move right through meFingertips so gently on my skin
I'm underwater
I feel the flood begin
Fingertips so gently on my skin
You're taking over and over againShed your armour
Spin your web
Hypnotise me with the longest stare
Make your promise
Or maybe it's a threat
'Cause when you look
You look right through meWe're flesh and bone
Together and alone
And we're looking for a home
