Transmigration Beyond Eternities

Demigod

Obscuring mourning of blood
Powers of beyond oppress me
Death falls from dismal eternity
Slain souls shall scream foreverBringing calm into my existence
I walk away from false beliefHe who created my dreams
Shall now be forgotten
In my time of blasphemyThoughts of my darkened being
God has incured in pain
I struggle through trials
I have chosen my path
I travel into uttermost shades
Creatures are now awaken
In flames they shall tell
Immortal are the hunters
