

# Shadow Of The Moon

## Blackmore's Night

In the shadow of the moon  
She danced in the starlight  
Whispering a haunting tune  
To the night  
Velvet skirts spun 'round and 'round  
Fire in her stare  
In the woods without a sound  
No one cared  
Through the darkened fields entranced  
Music made her poor heart dance  
Thinking of a lost romance  
Long ago  
Feeling lonely, feeling sad  
She cried in the moonlight  
Driven by a world gone mad  
She took flight  
"Feel no sorrow, feel no pain  
Feel no hurt, there's nothing gained  
Only love will then remain"  
She would say

Shadow of the moon  
Shadow of the moon  
Shadow of the moon  
Shadow of the moon  
Through the darkened fields entranced  
Music made her poor heart dance  
Thinking of a lost romance  
Long ago  
Somewhere just beyond the mist  
Spirits were seen flying  
As the lightning led her way  
Through the dark  
In the shadow of the moon  
She danced in the starlight  
Whispering a haunting tune  
To the night  
Shadow of the moon  
Shadow of the moon
