

# Power Flower

Stevie Wonder

Pan is my name, I live outside the door  
I have to keep the score of things around you  
Fire and air with water I prepare  
I am the piper at the gates of dawning It's not magic, it's not madness  
Just the elements I style  
And I guarantee, faithfully I will never go Until all is said and done  
In a twinkling I'll be gone  
Well, excuse me, I have so much more to do Fancy I fell, a childlike tap I'll steal  
Look twice, my friend, it's not the wind at all  
You'll never see what you refuse to be  
The power in the seeing is believing It's not magic, it's not madness  
Just the elements I style  
And I guarantee faithfully I will never go Until all is said and done  
In a twinkling I'll be gone  
Well, excuse me, I have so much more to do It's not magic, it's not madness  
Just the elements I style  
And I guarantee faithfully I will never go Until all is said and done  
In a twinkling I'll be gone  
Well, excuse me, I have so much more to do Flower power, flower power  
Flower power, power of love  
Flower power, flower power  
Flower power, power of love Flower power, power flower  
Flower power, power of love  
Flower power [Incomprehensible]  
Flower power, power of love He's a power flower yeah, oh  
Protecting all the flowers, yeah, oh  
He's a flower's power, yeah, yeah  
Through earth, wind, fire, showers, yeah, oh He's a flower's power, yeah, oh  
Protecting all the flowers, yeah, oh Flower power, flower power  
Flower power, power of love  
Flower power, flower power  
[Incomprehensible]
