

# Void of Golden Light

## Hawkwind

The Golden Void speaks to me  
Denying my reality  
I lose my body, lose my mind,  
I blow like wind, flow like wine  
Down a corridor of flame,  
Will I fly so high again  
Is there something wrong with me,  
I cannot hear, I cannot see  
Down a corridor of flame  
Down a corridor of flame  
Down a corridor of flame  
Down a corridor of flame  
So you think the time is past,  
The life you lead will always last  
Chaotic fusion's of your soul,  
Down below that rocky knoll  
Through the clouds an open sky,  
The wind flows through your watering eyes  
The sounds are pitched to draw you  
On your never ending journey  
On The edge of time,  
The edge of time,  
The edge of time
