Party Jam

Dannii Minogue

Yeah, the music's kinda jumpin' in this club
Hey, Mr. DJ, what's that you're playin'?
(Now that's a party jam)
Hey, yo, listen up, my name is Dannii
It's time to get loose to my brand new jammy
(Ooh, ooh, oh, baby)
It's a party jam
(Ooh, ooh, oh, baby)
Come on, everybody, dance
(Ooh, ooh, oh, baby)
To this party jam
(Ooh, ooh, oh, baby)
The party's jumpin' and everybody's hype
Lookin' for a hero to take home for the night
The DJ's playin' all the latest jams
Mixin' in the oldies just to make you dance
It doesn't matter if it takes all night
Don't matter what you do, just do it right
For all you dead heads who don't understand
The name of my record is, it's a party jam
(Ooh, ooh, oh, baby)
It's a party jam
(Ooh, ooh, oh, baby)
Come on, everybody, dance
(Ooh, ooh, oh, baby)
To this party jam
(Ooh, ooh, oh, baby)
Yo, check this out
Just pull me over if you want to dance
I'm not the kind of girl to give a second chance
So shake your body and clap your hands
And we'll dance the night away to lovers' land
(Ooh, ooh, oh, baby)
It's a party jam
(Ooh, ooh, oh, baby)
Come on, do it to it, do a dance
(Ooh, ooh, oh, baby)
Boy, I want to dance
(Ooh, ooh, oh, baby)

You can do it, yes, you can
(Ooh, ooh, oh, baby)
Give me a break, boys
Get down to this disco where the divas all go
And we'll get down and get funky
'Cause this party's way to go
Swing it, get, get funky
Get, get funky
My body starts to move when I hear this song
I call it hyper groove, do it all night long
It's a super dance, not the boogaloo
Move your feet to the beat and shake your body too
Everybody's dancin', lovers are romancin'
Do you wanna dance with me?
My heart is full of passion
It's a physical attraction and a sensual reaction
Oh, yeah
(Ooh, ooh, oh, baby)
It's a party jam
(Ooh, ooh, oh, baby)
Come on, everybody, dance
(Ooh, ooh, oh, baby)
To this party jam
(Ooh, ooh, oh, baby)
(Ooh, ooh, oh, baby)
It's a party, it's a party
(Ooh, ooh, oh, baby)
Come on, everybody, dance to this party
(Ooh, ooh, oh, baby)
It's a party, it's a party
(Ooh, ooh, oh, baby)
You can do it, yes, you can
Ooh, ooh, oh, baby
Ooh, ooh, oh, baby
Ooh, ooh, oh, baby
