

Multiplication

Alpine

Here I am, it is
I'm eloquent
Lone and throned by none
Other than myselfNot step by step but hear by hear
The only way I learn is to listen
So I'm listening
I'm listening hardHere I am, it is
I'm eloquent
The only way I learn is to listen
So I'm listening
I'm listening hardIt's my space
And you can join me here
'Cause I'm opening my soul
Opening and opening my soul
You fade away like love fades away
