

Under The Water

Aurora

Under the water we can't breathe, we can't breathe
Under the water we die
Under the water there is no one watching
Under the water we are alone
Then why do we jump in
Why do we jump in
Under the water we die So many souls that lost control
Where do they fall
Into the deep, what do they seek
Where do they fall
Where do they fall Hearts will dream again
Lungs will breathe in
Wash away the sins
It's where it begins
Feet won't fail you now
Arms won't let you down
Wash away the sins Under the water we can't be together
Under the water we die
Then why do we jump in
Why do we jump in
Under the water we die So many souls that lost control
Where do they fall
Into the deep, what do they seek
Where do they fall
Where do they fall Um um um ... Hearts will dream again
Lungs will breathe in
Wash away the sins
It's where it begins
Feet won't fail you now
Arms won't let you down
Wash away the sins
It's where we begins Solo Hearts will dream again
Wash away the sins Um um um ...
