Rubber Man

W.a.s.p.

The man of steal is man of lies
This rubber mother's tied to me for life
Heart breaker, the snake he'll do it to you
God he's killing me alive
I'm tied to rubber
I'm tied up for life
God I'm dying from pain, let me go
Here he comes I'm hiding my hole
Don't give me your grease
I'm dying for rubber
I'm dying from pain, I'm dying, no
Don't give me your love
Get down on your knees
And give me your rubber
The son of Charlie, morgue of liars
Don't let him get ya or he'll sodomize you
Ball breaker [Incomprehensible] will take to you
Rubber man's a fucking liar
I'm tied to rubber
I'm tied up for life
God I'm dying from my pain, let me go
Here he comes I'm hiding my hole
Don't give me your grease
I'm dying for rubber
I'm dying from pain, I'm dying no
Don't give me your love
Get down on your knees
And give me your rubber
I'm dying for, I'm dying for
I'm dying for, I'm dying for rubber
I'm dying from my pain, let me go
Here he comes I'm hiding my hole
Don't give me your grease
I'm dying for rubber
I'm dying from pain, I'm dying, no
Don't give me your love
Get down on your knees
And give me your rubber
