Plangent Vision Music Inc (ASCAP) Well it's so funny to be seeing you after so long girl

Ah but the way you look I understand that you are not impressed

But I heard you let that little friend of mine

Take off your party dress

I'm not gonna get too sentimental like those other sticky valentines

'Cause I don't know if you were loving somebody

I only hope he wasn't mine Alison, I know this world is killing you

Oh Alison, my aim is true Well I see you've got a husband now

Well did he leave your pretty fingers lying in the wedding cake

You used to hold him right in your hand

Ah but he took all he could take Sometimes I wish that I could stop you from talking

When I hear the silly things that you say

I think somebody better put out the big light

'Cause I can't stand to see you this way Alison, I know this world is killing you

Oh Alison, my aim is true

My aim is true

My aim is true

My aim is true
