Choking Gesture

Assjack

Out of breath - I can't breathe in
Choking hard when I inhale in
Pouring drinks with a broke hand
Now I'm up in your face again
When I fuck I don't want to
When I drink I just want to - kill
When I smoke I don't get high
Maybe I should just fucking chill
CHOKING GESTURE (can't breathe in) x4
Out of breath - I can't breathe in
Choking hard when I inhale in
Pouring drinks with a broke hand
Now I'm up in your face again
When I fuck I don't want to
When I drink I just want to - kill
When I smoke I don't get high
Maybe I should just fucking chill
CHOKING GESTURE (can't breathe in) x4
Feeling black lung as you're choking on your blood again
CHOKING - Pour me a drink and I need it right now
COUGHING - I'm coughing up blood and I can't keep it down
CHOKING - Pour me a drink and I need it right now
COUGHING - I'm coughing up blood and I can't keep it down

Wretch it up from deep within(?)
Always living on until the end
I can't give up my hell
I am always living for myself
Choking on my marijuana
Choking on my marijuana
Cho-ch-choking on
Cho-ch-choking on
Cho-ch-choking on
Cho-ch-choking on
Cho-ch-choking on
Cho-ch-choking on
CHOKING ON... MARIJUANA - MARIJUANA
Addicted to your problems
'cause you never can feel bad

and you never will
and you must die alone!
Out of breath and I can't breathe; out of breath and -
Out of breath and I can't breathe; out of breath and -
Out of breath and I can't breathe; out of breath and -
Out of breath and I can't breathe;
OUT OF BREATH AND I - CAN'T - BREATHE!
