

Just To Feel Alive

Anthony Green

You came along so easily
Laughing all the way you go
He was such a man
Wanted more than anything
To give you a piece of himself
There's nothing left But I don't know what it is about you
I need to be around
Just to feel alive
Just to feel alive
If you'd have me I'll be grateful
Just a taste barely a mouthful
Just to feel alive
Just to feel alive You came about so effortless
Timing I couldn't dismiss
So save my life
In every tune and poems too
There's no denying with you
You rule my mind Oh I don't know what it is about you
I need to be around
Just to feel alive
Just to feel alive
If you'd have me I'd be grateful
Just a taste barely a mouthful
Just to feel alive
Just to feel alive I never wanted anything more
I never wanted a thing
Just to feel alive
Just to feel alive
Oh I don't know what it is about you
I need to be around
Just to feel alive
Just to feel alive
If you'd have me I'd be grateful
Just a taste barely a mouthful
Just to feel alive
Just to feel alive
I don't know what it is about you
I need to be around
Just to feel alive

Just to feel alive
If you'd have me I'd be grateful...
