

Labyrinth of Eyes

Revocation

Eyes unblinking, affixed on us all
Feed the data stream
Glowing pupils like voracious maws
Stalking hungrilyPurging us of every intimacy, undying is their vigilance
Rendition extraordinary, suppressing the dissidentsFollowed, by orbs of glass
Watching our every moveTrapped within their digital gaze
Ensnared in a binary web
Optic fibers growing like tendrils
Lurking overheadA maze of surveillance, with no exit in sight
Surrounded by sentinels, nowhere to hideFollowed, by orbs of glass
Watching our every moveConfined, in this labyrinth of eyes
Hunted and dehumanizedConfined, in this labyrinth of eyes
Hunted and dehumanized
