

11/02 Day of the Dead

Rusty Eye

This is the Day of the Dead
The dead have all resurrected
They need to be celebrated
Their shrines are waiting
This is the Day of Dead

Sugar Skulls
Marigolds
Incense burns
Spirits yearn

Open grave
Lady Dead
Light my way
Take me to a better place

Hear them calling
Hear them swarming
See them dancing

Day of the Dead!

Rise Rise Rise from the Grave

Another Day of the Dead
The dead have all resurrected
They need to be celebrated
Their shrines are waiting
This is the Day of Dead

Thereâ€™s no way out
