I'm Not Jesus

Nicholas Chim

One, two, three, four
Don't wear a crown of thorns
Got no holes in my hand
Don't accuse me of that crime
Don't hang me up to dry
It's not me
It's not me
It's not me
Don't wanna die for your sins
Got no special powers
Sacrifice and sacrilege
Hey man, I wanna live
I'm not Jesus
I can't heal you
Taste my blood, it doesn't taste like wine
Can't you see this cross isn't mine
Judas must die for what he has done
Satan's watching with his gun
It's not me

It's not me
It's not me
Father, Son and Holy Ghost
Say your prayers, it's your only hope
Twelve Apostle can't help you now
I'll be back to stake my ground
I'm not Jesus
I can't heal you
I'm not Jesus
I can't heal you
[Incomprehensible]One, two, three, four
Don't wear a crown of thorns
Got no holes in my head
Don't accuse me of that crime
Don't hang me up to dry
I'm not Jesus
I can't heal you
I'm not Jesus
I can't heal you
