Sorrys

Blackfield

You were born in the shed
Beutiful and pale
Your dad was always away...
You gave birth into your life
Since than my baby and I
Well we hide away...

Sorrys, 7 years of sorrys
I was trying to catch your eyes
rolling, than to the river
you were cought in
I saw you flowing
and couldn't swim back...

Oh now you'll silence fare in
It was too cold and shaking
For me ,so you waving
I guess he wasn't ready
To be raised by someone unhappy
I took all the pain for him

Sorrys, 7 years of sorrys
I was trying to catch your eyes
Rolling, than to the river
You were caught in
I saw you flowing
And couldnt swim back...

Sorrys, 7 years of sorrys
I was trying to catch your eyes
Rolling, than to the river
You were caught in
I saw you flowing
And couldnt swim back...

You were born in the shed
Beutiful and pale
Your dad was always away...
