

Staying Home

M.A.N.D.Y.

I'm staying home
I'm staying home
I'm staying home
I'm staying home

I got a list
I see the light
I know the time
I know it's tight
I didn't sleep
At all last night
Turn off the phone

I'm staying home
I'm staying home
I'm staying home
I'm staying home

I'm staying home
I'm staying home
I'm staying home
I'm staying home

I'm staying
